Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for county park/road cameras for the Bergen County Sheriff's Office in fiscal year 2023.

The entity to receive funding for this project is the Bergen County Sheriff's Office, located at 2 Bergen County Plaza, Hackensack, NJ 07601.

The Bergen County Sheriff's Office is requesting federal investment to facilitate the purchase and installation of 100 cameras that will be placed in County parks and strategic points on County roads. The investment will also allow for the purchase of trailer mounted message boards that will allow the Sheriff's Office to better communicate with members of the public. Funding this request will allow the Bergen County Sheriff's Office to better deter crime occurring at these locations and allow residents of the county to remain safe while utilizing these facilities. Funding this request will make Bergen County safer which will allow the county to remain a premier location for families and businesses to flourish.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Gottheimer".
