Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Water Treatment Facility for the Borough of Fair Lawn in fiscal year 2023.

The entity to receive funding for this project is the Borough of Fair Lawn, located at 8-01 Fair Lawn Avenue, Fair Lawn, NJ 07410.

The proposed project would create a new and improved water treatment facility for the entire borough of Fair Lawn. This facility would bring water from all wells and send it to a centralized water treatment plant. This treatment plant would remove up to 95 percent of PFAS and produce potable water that meets both Primary and Secondary MCLs. Considerations would include ease of operation, reduction of costs, minimal site impacts, and meeting all regulatory requirements.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Gottheimer".
