April 28, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to demolish and rebuild the Broad Street Bridge in the Borough of Norwood in fiscal year 2023.

The entity to receive funding for this project is the Norwood Borough, located at 455 Broadway, Norwood, NJ 07648.

The Borough of Norwood is requesting federal investment to demolish and rebuild the Broad Street Bridge. The project includes demolishing the existing structure, rebuilding the bridge deck and parapets, removing and reconstructing the four wing walls, replacing and/or repairing the cracked footing in the northeast abutment, and reconstructing drainage systems for bridge and roadway.

By rebuilding the bridge and reconstructing the drainage system, the Borough will reinforce the structure with steel and prevent water seepage and erosion from impacting the structure. This bridge is an integral part of the Borough's transportation infrastructure. It provides access to a residential area and over ten local businesses. This project will allow Norwood's citizens and business owners safe access to and from this crucial commercial area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Gottheimer".

Josh Gottheimer
