Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Sewer Expansion Project for the Vernon Township in fiscal year 2023.

The entity to receive funding for this project is the Township of Vernon, located at 21 Church Street, Vernon, NJ 07462.

The Vernon Township Sewer Expansion includes expansion of the existing sewer mains into areas that are already approved for sewer service, but were not serviced during the construction of mains over two decades ago. This would connect 75 properties. The project also includes expansion into expanded service areas that serve a residential community with aging septic systems. This second area includes over 200 properties.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Gottheimer".
