Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Communications Equipment for West Milford Township in fiscal year 2023.

The entity to receive funding for this project is the West Milford Township, located at 1480 Union Valley Road, West Milford, NJ, 07480

West Milford Township Emergency Services are in advanced stages of planning a comprehensive, state-of-the-art, emergency communications radio system to replace the antiquated system currently in use. Slated for Fiscal Year 2023, this “shovel-ready” project is designed to provide the critical infrastructure necessary to handle all events of an emergency, while enhancing safety of township first responders. Ultimately, the expected outcome of this project is to seamlessly handle all emergency events from a basic motor vehicle stop to a mass casualty incident.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
