# FEDERAL HURRICANE RELIEF

**Damage during the hurricane? Apply for federal emergency FEMA relief here:**

[www.disasterassistance.gov](http://www.disasterassistance.gov)

### Who can apply?

As of September 7, 2021, FEMA has approved a Major Disaster Declaration for several New Jersey counties, including Bergen County and Passaic County.

FEMA is still evaluating damage from the storm and may add additional counties at a later date.

### How can FEMA relief help?

Assistance from FEMA may help individuals affected by a disaster take care of necessary expenses and serious needs that cannot be met through insurance or other forms of assistance.

The Major Disaster Declaration will allow individuals in the approved counties to register for direct federal assistance for Ida-related recovery, which may include home repairs, temporary housing, low-cost loans, and other programs to help recover from the effects of the tropical storm.
